

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2022

Nuclear Inc.

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022. The scope and boundaries of the ISMS is as follows:

The Information Security Management System (ISMS) of Nuclear covers the design, development, deployment, and support of artificial intelligence solutions for the nuclear and regulated utility industries. The ISMS applies to in-scope services including CAP AI, AtomAssist, Engineering AI, Work AI, Observation Program, Capitalizer, and Project Genius, delivered across on-premises, hosted, and GovCloud environments. The scope includes the people, processes, and technology supporting these services, as operated from Nuclear’s corporate offices and approved secure hosting facilities.

The statement of applicability includes control objectives from the ISO/IEC 27001:2022 framework.
